IMPORTANT MEETING

Merchants of Maysville Are Asked to "Get Together" For 1904

With the advent of 1904, the merchants of Maysville must realize, if the year is to be made a great success, it can be made only by the cooperation of every merchant in town.

The time has come when towns are only a success when all the merchants work in harmony, and there is no time better than now to realize this fact.

There is a plan suggested to boom Maysville this spring, and it is of vital necessity that every merchant of Maysville attend the meeting Wednesday night at 7 o'clock at the Board of Trade room.

Plans to be unfolded at this meeting will be a revelation to the Maysville Public.

A WOMAN'S COMPLEXION.

It is rank foolishness to attempt to remove sallowness or greyness of the skin by the use of cosmetics, or "local" treatment, as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of dyspepsia and indigestion. New trial size bottle, 25c; regular size, 75c. At Henry W. Ray's Druggists.

Dislocated Her Shoulder.

Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by J. Jas. Wood & Son.

River News

Captain Orrin Marshall, an old-time steamboatman, died at Madison, Ind.

There is an ice gorge above Cincinnati which reaches from the dike at Coney Island to above Augusta, a distance of forty miles.

Colonel John L. Vance of the Ohio Valley Improvement Association has been made an honorary member of the Cincinnati Chamber of Commerce.

The towboat Gleaner and fleet are still safe at Mt. Vernon, Ind. Fear had been felt that the big towboat would be injured by the ice which surrounded her.

Ice continues to block navigation. The siege is especially hard on rivermen and owners of floating craft, who are put at great expense in protecting their property, etc. The ice in the river is still very heavy, with the banks steeped, and from present indications it will be some time before the boats can resume.
